Senate Committee on Seniors, Families, and Children
1/18/2017

The Senate Committee on Seniors, Families, and Children convened today to hold a public hearing on SBs 41, 67, 96, and 196.

ATTENDANCE: Sen. Sater, Sen. Riddle, Sen. Chappelle-Nadal, Sen. Romine, Sen. Schaaf, Sen. Schupp, and Sen. Wieland.

PUBLIC HEARING:

SB 41 (Wallingford) – Provides protection for alternatives-to-abortion agencies.

- Sen. Wallingford stated that the bill is intended to protect the 1st Amendment rights of individuals that operate pregnancy resource centers.

PROPONENTS

- **Samuel Lee (Campaign Life Missouri)**
  - Lee stated that SB 41 is in response to Board Bill 203 (City of St. Louis) which will modify local ordinances relating to discrimination protections. Lee stated the proposed change to the ordinance would interfere with the mission of pregnancy resource centers.
  - Sen. Chappelle-Nadal asked what Board Bill 203 is intended to accomplish. Sen. Wallingford stated the bill will penalize pregnancy resource centers that refuse to hire those that support an individual having an abortion. Sen. Schaaf stated that he would like to read the actual text of the bill. Sen. Chappelle-Nadal also stated that she would like to read the bill as well and noted that she has previously supported tax credits for pregnancy resource centers.

- **Gloria Lee (Our Lady's Inn Maternity Home)**
  - Lee stated that the proposed change to St. Louis City ordinance would potentially make her subject to a fine of up to $500 or 90 days in jail for her beliefs on abortion.

- **Diane Vaughan (Thrive St. Louis)**
  - Vaughan stated that the proposed Board Bill 203 in St. Louis City would force her organization to refer for abortion or contraceptive services against their beliefs and stated that SB 41 was vital to protecting her first amendment rights.
  - Sen. Schupp spoke against using state law to preempt a local ordinance and stated that Missouri women need access to the full range of options.

- **Tyler McClay (Missouri Catholic Conference)**

- **Susan Klein (Missouri Right to Life)**
  - Klein noted that Board Bill 203 is having a hearing today at 9:30 AM in St. Louis.
  - Sen. Chappelle-Nadal stated that due to the radioactive waste problem in her district, several women living in her district are unable to carry children to term.

- **Kerry Messer (Missouri Family Network)**

- **Bonnie Lee (Resident of Columbia, MO)**
  - Lee stated that she is frequently outside of the Planned Parenthood facility in Columbia, MO providing information regarding the alternatives to abortion and stated that she does so because of her strong beliefs.
  - Sen. Chappelle-Nadal stated that the committee had just been provided a copy of Board Bill 203 and stated that upon partially reviewing the bill, it appears the bill is merely seeking to add pregnancy and reproductive health decisions to the list of protected classes.

- **Joe Ortwerth (Missouri Family Policy Council)**

OPPONENTS

- **Alison Dreith (NARAL Pro-Choice Missouri)**
  - Dreith stated that Board Bill 203 would only update discrimination ordinances in the City of St. Louis and would not impact anyone's 1st Amendment rights. Dreith stated that pregnancy resource centers frequently provide false information to women regarding the safety of abortion procedures.

- **Sara Baker (American Civil Liberties Union of Missouri)**
  - Baker stated that individuals have the right to both free speech and the right to have an abortion. Baker stated she does not see any 1st Amendment issues that would arise from Board Bill 203.

- **M'Evie Mead (Planned Parenthood Advocates in Missouri)**
  - Mead stated that pregnancy resource centers such as Thrive St. Louis attempt to divert individuals from obtaining care from the Planned Parenthood facility on Forest Park Avenue in St. Louis, MO. Mead stated that such pregnancy resource centers spread inaccurate information about abortion procedures.
  - Sen. Schupp stated that a requirement should be established to ensure that pregnancy resource centers provide medically/scientifically accurate information regarding abortion procedures.

SB 67 (Onder) – Modifies provisions of law relating to abortion, including donation of fetal tissue, tissue reports, abortion reports, employee disclosure policies, and abortion facility inspections.

- Sen. Onder stated that SB 67 will ensure abortion clinics have an annual unannounced inspection and will provide further accountability for the disposition of fetal remains. Sen. Onder stated that the bill will require that all fetal tissue be sent to a pathologist instead of just a representative sample. Sen. Onder stated that the bill is

in response to the investigation of Planned Parenthood regarding the alleged trafficking of fetal remains.

PROPONENTS

- **Susan Klein (Missouri Right to Life)**
  - Klein stated that all medical facilities should be subject to regular inspections. Sen. Chappelle-Nadal stated that this bill seems to be going against the Governor's stated aim of de-regulation. Sen. Chappelle-Nadal stated that there was no evidence of the trafficking of fetal remains in Missouri.
  - Sen. Schupp stated that abortion clinics should not be singled out from other ambulatory surgical centers when it comes to increased regulation.
- **Samuel Lee (Campaign Life Missouri)**
- **Tyler McClay (Missouri Catholic Conference)**
- **Bonnie Lee (Resident of Columbia, MO)**
- **Joe Ortwerth (Missouri Family Policy Council)**
- **Kerry Messer (Missouri Family Network)**

OPPONENTS

- **Dr. Marta Perez (OBGYN Resident in St. Louis, MO)**
  - Perez spoke on the safety of abortion procedures.
- **Alison Dreith (NARAL Pro-Choice Missouri)**
  - Dreith stated that fetal tissues have been used in medical research since the 1920s and noted that the tissue has been vital in medical advancements such as the development of certain vaccines. Dreith stated that further restrictions on the disposition of fetal remains may hinder future medical advancements.
- **M'Evie Mead (Planned Parenthood Advocates in Missouri)**
- **Sara Baker (American Civil Liberties Union of Missouri)**

The committee recessed until noon and then reconvened to hear public testimony on SBs 96 and 196. When the committee reconvened, Sen. Sater, Sen. Wieland, Sen. Schaaf, Sen. Romine, and Sen. Schupp were present.

SB 96 (Sater) – Prohibits certain selective abortions relating to sex, race, or Down Syndrome.

- Sen. Sater stated that this bill is similar to SB 802 (Sater) from last year. Sen. Sater stated that SB 802 only dealt with Down Syndrome while this year's bill includes sex and race.

PROPONENTS

- **Ryan Gallagher (Father of child with Down Syndrome)**
  - Gallagher stated that it is important to protect life from discrimination and shared insights into his experience of having a child with Down Syndrome.
- **Kerry Messer (Missouri Family Network)**
- **Samuel Lee (Campaign Life Missouri)**
  - Lee stated that seven states currently have similar laws; however, this issue has not yet been fully litigated. Lee stated that it is unclear whether or not these laws will be held unconstitutional.
- **Susan Klein (Missouri Right to Life)**

OPPONENTS

- **Alison Dreith (NARAL Pro-Choice Missouri)**
  - Dreith read written testimony from a father who has a child with Down Syndrome. The written statement encouraged legislators to fund special education and to provide resources and information as a means to deter abortions based solely on a diagnosis of Down Syndrome.
- **Sara Baker (American Civil Liberties Union of Missouri)**
  - Baker stated that women fundamentally have a constitutional right to an abortion. Baker stated that the constitutionality of such bills is determined by questioning whether or not the law will further women's health or provide an additional burden that is not outweighed by a medical benefit. Baker stated that this bill fails on both fronts.

SB 196 (Koenig) – Grants the Attorney General concurrent original jurisdiction to enforce the state's abortion laws.

- Sen. Koenig stated that jurisdiction for the state's abortion laws currently falls under county prosecuting attorneys and stated that this proposal would ensure that requirements for abortion clinics are properly enforced.

PROPONENTS

- **Samuel Lee (Campaign Life Missouri)**
  - Lee stated that the bill would provide another set of eyes to ensure that abortion laws are properly enforced.
- **Kerry Messer (Missouri Family Network)**
  - Messer stated that giving the Attorney General concurrent original jurisdiction to enforce Missouri's abortion laws would be appropriate because abortion is a publicly volatile topic.
- **Susan Klein (Missouri Right to Life)**

OPPONENTS

- **Alison Dreith (NARAL Pro-Choice Missouri)**

INFORMATIONAL PURPOSES ONLY

- **Rachel Hassani (Attorney General's Office)**
  - Hassani stated that the Attorney General's Office is working with the bill sponsor on some technicalities with the bill. Sen. Sater stated that they would wait for these discussions to conclude before proceeding any further with the bill.
- **Sara Baker (American Civil Liberties Union of Missouri)**
  - Baker stated that the bill contains no clear constitutional violation and stated that county prosecuting attorneys currently have the ability to recuse themselves

from such cases and ask the Attorney General's Office for help.

With no further business, the committee adjourned.
